

A photograph of a modern bedroom interior. The room features a light-colored wooden ceiling and walls. A bright yellow door is open, revealing a built-in wooden wardrobe. In the foreground, a bed with white linens is visible. To the right, a green chair is positioned near a small green desk or table. The overall atmosphere is warm and minimalist.

# **A PATIENT'S HOME FOR THE LEUKEMIA HELP FOUNDATION EASTERN BAVARIA**

**REGENSBURG, GERMANY**

## Description:

Since 2001, the Leukemia Aid Eastern Bavaria has operated a patient and family home near the University Hospital Regensburg. This was replaced by the patient house in 2018, in order to be able to offer more people than hitherto an overnight accommodation close to the clinic. The new € 4.5 mn building was built entirely with donations. Lindner, together with many partners, contributed with the work for the fit-out, dry screed from own production as well as various building materials.

## General:

Concept/Product:	NORIT dry lining products
Building Type:	Residential buildings
